TECH IQ

Think Smart. Answer Fast.

Eligibility: Open to All Departments

Team Size: 2 Participants

Total Duration: 1 Hour

Mobile Phones: Strictly Not Allowed

ROUND 1 – TECH MCQ SCREENING

Duration: 10 Minutes

1. Each team will receive a question paper containing 20 MCQs.
2. Questions will cover AI, ML, Programming, DBMS, Cloud Computing, Cybersecurity, Networking and Emerging Technologies.
3. Each question will have four options, with one correct answer.
4. Each correct answer carries 1 mark. Total: 20 marks.
5. Participants must complete and submit the answer sheet within the allotted time.
6. Mobile phones, smartwatches, internet access and external assistance are strictly prohibited.
7. Paper and pen will be provided to the participants for answering the questions.
8. Teams will be shortlisted based on their scores.

ROUND 2 – TECH CONNECTIONS

Duration: 25 Minutes

1. Only teams shortlisted from Round 1 will participate.
2. This round will be conducted on stage.
3. Each selected team will be given 2 technical MCQs and 3 Connection questions.
4. Questions will be displayed on the PPT screen.
5. For the MCQs, the team must identify and verbally state the correct option/answer.
6. For each Connection, four technical clues will be displayed.
7. The team must identify the common technical concept connecting the four clues and answer verbally.
8. Teams must answer within the time allotted by the quizmaster.
9. No paper or pen will be provided for answering.
10. Other teams must not provide answers or hints to the participating team.
11. Mobile phones, smartwatches and external assistance are strictly prohibited.
12. Scores will be awarded based on correct answers, and qualifying teams will proceed to Round 3.

ROUND 3 – TECH SCENARIO SHOWDOWN

Duration: 25 Minutes

1. Qualified teams will participate in the final round.
2. Real-world technical scenarios will be displayed on the PPT.
3. Each scenario will describe a situation without directly mentioning the technical concept.

4. Teams must identify the technical concept represented by the scenario.
5. The team that knows the answer must raise their hand.
6. The quizmaster will select the first eligible team to answer.
7. The team must:
 - Identify the technical concept.
 - State the answer clearly.
 - Briefly explain how the concept applies to the given scenario.
8. Marks will be awarded for both correct identification and explanation.
9. If the selected team gives an incorrect answer, the opportunity may be passed to another team.
10. Mobile phones, smartwatches and external assistance are strictly prohibited.

GENERAL RULES & REGULATIONS

1. Each team must consist of 2 participants.
2. A participant cannot be part of more than one team.
3. Participants must report 15 minutes before the event.
4. Mobile phones and smartwatches are strictly prohibited throughout the event.
5. Any malpractice, prompting or communication with other teams will result in disqualification.
6. Participants must follow the quizmaster's instructions.
7. Answers given after the allotted time will not be considered.
8. In case of a tie, a tie-breaker question will be conducted.
9. The quizmaster/judges' decision will be final and binding.
